

## Find Occupations

### Keyword or O\*NET-SOC Code

Examples: 25-1011.00, dental assistant

Enter a keyword, phrase, or title to search for an O\*NET-SOC occupation. You can also enter a full or partial O\*NET-SOC code to look up occupations by code.

### Career Cluster

Career clusters contain occupations in the same field of work that require similar skills. Students, parents, and educators can use Career Clusters to help focus education plans towards obtaining the necessary knowledge, competencies, and training for success in a particular career pathway.

### Industry

Industries are broad groups of businesses or organizations with similar activities, products, or services. Occupations are considered part of an industry based on their employment.

### Job Zone

Job Zones group occupations into one of five categories based on levels of education, experience, and training necessary to perform the occupation.

### Bright Outlook

Bright Outlook occupations are expected to grow rapidly in the next several years, will have large numbers of job openings, or are new and emerging occupations.

### Green Economy Sector

The green economy will cause a change in occupations' employment demand or work and worker requirements such as tasks, skills, knowledge, and credentials. Green occupations are linked to Green Economy Sectors.

### Job Family

Job Families are groups of occupations based upon work performed, skills, education, training, and credentials.

### STEM Discipline

Find occupations that require education in science, technology, engineering, and mathematics (STEM) disciplines.

## Find Occupations
